

Application No. 293: Coin sculpture

Author: Eero Ylönen, Mikkeli, Finland

The attractive force of a COLOSSUS is impressive!

I created various sculptures with a COLOSSUS (www.supermagnete.de/eng/Q-40-40-20-N) and many 5 cents coins. The attractive force of a COLOSSUS is truly amazing - it can hold up to ten rows of 5 cents coins! And it even holds nine rows of these coins through a 1 cm thick kitchen shelf (see below)!

It's difficult to get these coins off the COLOSSUS again!

I got the idea for these sculptures when I saw the picture of a Christmas tree on a DEATH MAGNET (www.supermagnete.de/eng/Q-51-51-25-N) (on the bottom of the page).
