

## Application No. 244: Christmas ball ornaments without tree

Author: Aleksej Kokorev, Tver, Russian Federation

### How to show off Christmas ball ornaments year-round

You'd be surprised what you see in Aleksej's flat: He has his Christmas tree ball ornaments displayed all year round, but not on a Christmas tree as you might expect...

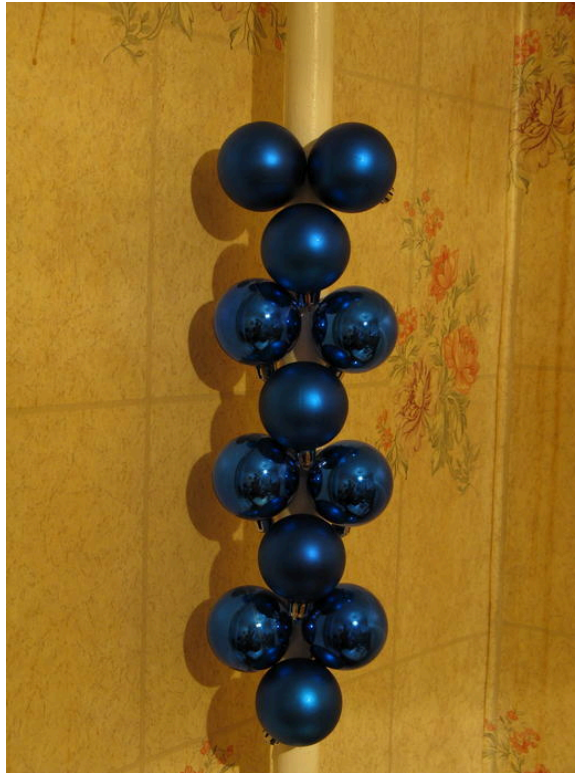

For his unusual decoration, Aleksej removed the cover of the blue Christmas tree ball ornaments, placed a S-05-02-N52N disc magnet ([www.supermagnete.de/eng/S-05-02-N52N](http://www.supermagnete.de/eng/S-05-02-N52N)) in each one and reattached the cover again.

The Christmas tree ball ornaments can be arranged in geometric patterns...

... or guide your way to the toilet / outside

Aleksej also uses an elaborate note holder. It consists of 88 K-08-C ([www.supermagnete.de/eng/K-08-C](http://www.supermagnete.de/eng/K-08-C)) spheres. Make sure that this construction does not get too close to your computer!
